Dear Community User Group,

With a new school year beginning in the next week, our focus now must be on safely reopening our schools for students and staff. To assist and help protect vulnerable populations, including seniors and people with compromised immune systems, the Superior-Greenstone District School Board is extending the cancellation of Community Use of School permits and will revisit the plan in mid-October.

We will continue to keep our students, parents, and communities informed by releasing COVID-19 information updates through the following channels:
