SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD

of opportunities for school visits, lengthening the time for school visits of up to a week, providing health and wellness workshop for newly transitioned students, resume writing, increased special education assessments and supports, increased supports for students who are attending school remotely, and improved planning to better understand the student's future goals to better guide their Highschool course selection.

8.0 Indigenous Language in our Schools

The Committee discussed the FNMI framework and SGDSB's commitment to the continued enhancement of Ojibway language initiatives. N. O'Donnell reviewed the current initiatives that include the language courses at Marathon High School, Nipigon-Red Rock District High School and the 2 courses running at Geraldton Composite High School. The language is now being imbedded in to the Early Years classrooms through literacy. The committee shared their suggestions on the initiatives and ideas to work towards students knowing their language.

The school Board will continue to increase opportunities for Indigenous languages and education,
