Teaching	Assignment	

Date (yyyy/mm/dd)

The Log of Teaching Practice is an optional resource tool that may be used by principals and teachers in the performance appraisal process. Teachers and principals may use the form to record information about noteworthy examples of teacher performance as they occur and to cite evidence to support the entries.

DOMAIN: Teaching Practice

Competency: Teachers use their professional knowledge and understanding of pupils, curriculum, legislation, teaching practices, and classroom management strategies to promote the learning and achievement of their pupils.

The following are examples of possible ways the competency may be shown in practice. The principal and teacher may add other examples of good teaching practices that they identify during the appraisal process. It is not necessary to record information for each example. Rather, examples are intended to help the principal and teacher reflect on what the competency may look like in practice.

develops clear and achievable classroom expectations with the students models and promotes effective communication skills chooses pertinent resources for development of instruction to address student needs uses instructional time in a focused, purposeful way organizes subject matter into meaningful lessons assists students to develop and use ways to access and critically assess information uses a clear and consistent format to present instruction

Date of Entry	Record noteworthy instances related to the competency shown above and the kinds and sources of evidence identified.
